BRIEF ABSTRACT OF LETTER.

Suggests that at the instance of many pensioners of high status Art. 518 M.S.R - Rule for payment of pensions to Agents may be amended by omission of words 'not resident in Mysore' in line 1, to facilitate the pensions being drawn in the local Banks.

NOTES AND ORDERS.

1 Art 518 M.S.R is framed on the analogy of Art 949 C.S.R where the pharase used is 'not resident India'.

2 Under the existing rules it is only pensioners not resident in Mysore that can have facilities of

drawing pensions thro the Agents or Manags of local Banks on furnishing an Indemnity Bond &c. (Vide Art 518 M.S.R. & 30 C.T.C).

3 To meet the convenience of certain pensioners of high status, Comptroller suggs omission of words 'not resident in Mysore' in line 1 of art 518 M.S.R.

4 In the first place it is a point for consideration whether the convenience contemplated is for the benefit of the pensioners of all classes or of only some. If it is not intended for all, it is a question whether the requisite ruling cannot be laid down in a note to the Article

5 In the next place it has to be considered whether any more safeguards than what are prescribed in the Regulations have to be laid down.

Service by post with indemnity suggested in article 9 of Art 518 M.S.R.

6. As pointed out in para 1 above the Concession proposed by the Comptr is not one in existence in British India but it seems as if the Comptr's suggestion may be accepted without any risk - The Comptr's letter explains itself

7. There is no risk in adopting the Comptroller's suggestion viz. that when a pensioner draws his pension through a Bank which has given a ~~general~~ letter of indemnity (like the Bank of Mysore) he may furnish life certificate only once a year. The rule allows this privilege to pensioners residing outside Mysa State but there is no harm in granting it to those residing in the State

Submitted to His Highness.

(8 Under Article 518 of the Mysore Service Regulations, only those pensioners who live outside Mysore can draw their pensions through a duly authorised agent under conditions imposed in clauses (a) and (b) thereof. The pensioners resident in Mysore can also draw their pension through an agent; but they have to sign and send a life certificate with every bill and not once a year as in the case of the former. This, the Comptroller reports, causes inconvenience to pensioners of high status, as they have to appear every month before an officer for obtaining a life certificate and he states that, since the indemnity bond to refund overpayments given by their agents is a sufficient precaution against all risks, there is not much gain in continuin the present irksome condition. He therefore suggests the amendment of Article 518 of the Mysore Service Regulations by the omission of the words "not resident in Mysore" from the first line thereof. The Members of Council agree that the suggestion can be adopted. This may be graciously approved.

SIR,

I have the honor to state that under article 518, Mysore Servi Regulations, only those pensioners who live outside Mysore can draw thei pensions through a duly authorised agent under conditions imposed in clauses (a) and (b) thereof. Under article 30, Civil Account Code, pensioners resident in Mysore also can draw their pensions through an agent; but they have to sign and send a life certificate with every bil and not once a year as in the case of the former. This appears to be causing inconvenience and trouble to them, more especially to that clas of pensioners who keep accounts with Bankers and transact their busines through them. At present, their agents, for instance, the Agent, Bank of Madras or the Manager, Bank of Mysore, cannot draw their clients' pensions, without the life certificates which in the present form, viz. that the pensioner has appeared before the officer signing the certificate, might be very inconvenient to obtain monthly. Since the bond to refund overpayments given by Bankers is a sufficient precaution against all risks, there is not much gain in continuing the present irksome condition.

2. I think it desirable, therefore, that Article 518 Mysore Service Regulations should be amended by the omission of the words

words "not resident in Mysore" from the first line thereof.

3. I may add that the reference is made because some pensioners of high status have complained to me of the inconvenience of appearing every month before an officer for obtaining a life certificate. Since their Banker, the Bank of Mysore, has given a general indemnity bond, they urge with great force, that in their case the monthly life certificate may be dispensed with, a certificate once a year only being furnished as in thecase of pensioners residing outside the State.
